# **1. Introduction and Context**

## **1.1 Contents**

## **1.2 Vision and Ethos**

We want our pupils to:-

*Develop a sense of awe and wonder for the world around them.* Therefore we will encourage them to reflect, ask questions and become self-motivated learners.

*To be articulate in communicating their ideas and in listening to and considering the ideas of those around them.* Therefore we will provide frequent and effective opportunities for dialogue and cooperative learning. It will ensure that will learners are happy and secure in expressing their own opinions in a safe and supported environment.

*To be able to take informed risks in their learning.* Therefore we will promote spiritual, moral, social and cultural aspects that develop resilience in the face of challenge and promote cooperation, shared responsibility.

*To develop the wisdom to constructively challenge perceptions, opinions and actions in order to embed their learning.* Therefore we will encourage pupils to question the viewpoints and values of others in order to take ownership for their decisions and action.

*We want our pupils to have a secure understanding of and actively practice values promoted by the Christian faith and promote respect and responsibility for each other and the world around them.* Therefore we will provide opportunities to develop a sense of citizenship within the context of school, local community and the wider world in order to promote empathy with others and encourage pupils to become actively involved in the local community.

## **1.3 Our responsibilities**

Charlesworth School fully recognises its responsibilities for Child Protection and Safeguarding, this Policy sets out how the school will deliver these responsibilities. This is an overarching policy where child is of statutory school age. As such, we place the safety and well-being of our children at the centre of everything we do including a wide range of policies and procedure regarding Behaviour, Anti-Bullying, SEND and Equality that complement the

suite of policies covering Child Protection (e.g., Safer Recruitment, Lost/Left Child and Attendance).

Charlesworth School is a members of the Collaboration of Glossop Schools and recognises it's responsibility for all of the children in our locality. It will work in close partnership with other schools and agencies to ensure that this is done as effectively as possible.

As the school is a provider of children in the Early Years Foundation Stage, the requirements of the EYFS Statutory Framework (2017) and Inspecting safeguarding in early years, education and skills settings (2016) apply to this policy and are included in Appendix B. This policy should be read in conjunction with:

- [‘Working Together to Safeguard Children’ \(Updated July 2018\)](#) which is statutory guidance to be read and followed by all those providing services for children and families, including those in education.
- [“Keeping Children Safe in Education \(Sept 2020\)”](#) which is the statutory guidance for Schools and Colleges.
- [“What to do if worried a child is being abused” \(March 2015\)](#)
- [“Information Sharing: Advice for practitioners](#) providing safeguarding services to children, young people, parents and carers (July 2018)
- [“The Prevent Duty](#) Departmental, advice for Schools and child care providers” (July 2015).
- Furthermore, we will follow the [Procedures set out by the Derby and Derbyshire Safeguarding Children Partnership](#).
- <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools> October 2020

In accordance with the above procedures, we carry out an annual audit of our Safeguarding provision (S175 Safeguarding Audit, which is a requirement of the Education Act 2002 & 2006) a copy of which is sent to the Derby and Derbyshire Derbyshire Safeguarding Children Partnership

## **1.4 Our Principles**

Safeguarding arrangements at this school are underpinned by three key principles:

- Safeguarding is everyone's responsibility. Those who have contact with a child or young person including Governors and volunteers should play their full part in keeping children safe;
- We will aim to protecting children using national, local and school child protection procedures;
- We aim to work in partnership and have an important role in multi-agency safeguarding arrangements as set out by Working Together 2018
- That anyone who has contact with a child or young person including Governors and volunteers have a clear understanding regarding abuse and neglect in all forms; including how to identify, respond and report. This also includes knowledge in the process for allegations against professionals. Staff, governors and volunteers should feel confident that they can report all matters of Safeguarding in the School or College where the information will be dealt with swiftly and securely, following the correct procedures with the safety and well-being of the children in mind at all times.
- That we operate a child-centred approach: a clear understanding of the needs, wishes, views and voices of children.

## **1.5 Our Policy**

There are 6 main elements to our policy, which are described in the following sections:

- The types of abuse that are covered by the policy;
- The signs of abuse that anyone who has contact with a child or young person including Governors and volunteers should look out for;
- How to report a concern, who to go to within school/college; including how /who to report to at the relevant agencies;
- Roles and responsibilities for Safeguarding;
- Expectations of anyone who has contact with a child or young person including Governors and volunteers with regard to Safeguarding, and the procedures and processes that should be followed, including the support provided to children ;

- How the school will ensure that anyone who has contact with a child or young person including Governors and volunteers are appropriately trained; this includes, receiving regular updates and undertaking annual whole school training in safeguarding.
- Are checked for their suitability to work within the School;
- How the policy will be managed and have its delivery overseen.

Through implementation of this policy we will ensure that our school provides a safe environment for children (and vulnerable adults when in their setting) to learn and develop. We will cross reference to other policies relevant to our safeguarding in the school and make reference to them in this policy where relevant.

## **2 Types of Abuse**

### **2.1 Children who may require early help**

All staff, governors and volunteers working within the School should be alert to the potential need for early help for children, considering following the procedures identified for initiating early help using the Thresholds Document for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs;
- Is a young carer;
- Is a privately fostered child;
- Has returned home to their family from care;
- Is showing signs of engaging in anti-social or criminal behaviour;
- Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health, domestic violence; and/or
- Is showing early signs of abuse and/or neglect;
- Is showing signs of displaying behaviour or views that are considered to be extreme;
- Is misusing drugs or alcohol themselves;
- Not attending school or are at risk of exclusion from school;
- Frequently going missing/goes missing from care or from home;
- Is at risk of modern slavery, trafficking, exploitation, radicalised;
- Not in education, training or employment after the age of 16 (NEET)

These children are therefore more vulnerable; this School will identify who their vulnerable children are, ensuring all staff and volunteers know the processes to secure advice, help and support where needed.

### 2.32.2 Child Abuse

In relation to children safeguarding and promoting their welfare is defined as;

- Protecting children from maltreatment
- Preventing impairment of children's' health or development
- Ensuring that children are growing up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes

There are four types of child abuse as defined in 'Working Together to Safeguard Children' (2018) which are defined in the 'Keeping Children Safe in Education Statutory Guidance 2018' as:

- **Physical Abuse** - may involve hitting, shaking, throwing, poisoning, burning/scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
- **Emotional Abuse** - is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the

exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

- **Sexual Abuse** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact or non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males; women can also commit acts of sexual abuse, as can other children.
  
- **Neglect** is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. It may include a failure to:
  - Provide adequate food, clothing and shelter.
  - Protect a child from physical and emotional harm or danger.
  - Ensure adequate supervision (including the use of inadequate care-givers); or
  - Ensure access to appropriate medical care or treatment.
  - Respond to a child's basic emotional needs

Bullying and forms of bullying (on-line and off-line) including prejudice based and Cyber Bullying are also abusive which will include at least one, if not two, three or all four, of the defined categories of abuse (see Anti-Bullying Policy; available for download from the school website).

### **2.3. Specific Safeguarding Issues**

There are specific issues that have become critical issues in Safeguarding that Schools and Colleges will endeavour to ensure their staff, governors and volunteers are familiar with; having processes in place to identify, report, monitor and which are included within teaching:

- Bullying including cyber bullying

- Child Sexual Exploitation (CSE) and as defined by Working Together 2018
- Domestic Violence
- Drugs
- Fabricated or induced illness
- Faith abuse
- Female Genital Mutilation (FGM)
- Forced Marriage
- Gangs and Youth Violence
- Gender based violence/Violence against women and girls (VAWG)
- Hate
- Mental Health
- Private Fostering
- Preventing Radicalisation
- On line abuse/Sexting
- Teenage Relationship abuse
- Trafficking
- Missing children and vulnerable adults
- Child sexual abuse within the family
- Poor parenting, particularly in relation to babies and young children

### **3 Signs of Abuse (Child Protection)**

#### **3.1 Physical Abuse**

Most children will collect cuts and bruises and injuries, and these should always be interpreted in the context of the child's medical / social history, developmental stage and the explanation given. Most accidental bruises are seen over bony parts of the body, e.g. elbows, knees, shins, and are often on the front of the body. Some children, however, will have bruising that is more than likely inflicted rather than accidental.

Important indicators of physical abuse are bruises or injuries that are either unexplained or inconsistent with the explanation given; these can often be visible on the 'soft' parts of the body where accidental injuries are unlikely, e.g., cheeks, abdomen, back and buttocks. A delay in seeking medical treatment when it is obviously necessary is also a cause for concern.

The physical signs of abuse may include:

- Unexplained bruising, marks or injuries on any part of the body
- Multiple bruises- in clusters, often on the upper arm, outside of the thigh
- Cigarette burns
- Human bite marks
- Broken bones
- Scalds, with upward splash marks.
- Multiple burns with a clearly demarcated edge.

Changes in behaviour that can also indicate physical abuse:

- Fear of parents being approached for an explanation
- Aggressive behaviour or severe temper outbursts
- Flinching when approached or touched
- Reluctance to get changed, for example in hot weather
- Depression
- Withdrawn behaviour
- Running away from home.

### **3.2 Emotional Abuse**

Emotional abuse can be difficult to identify as there are often no outward physical signs. Indications may be a developmental delay due to a failure to thrive and grow, however, children who appear well-cared for may nevertheless be emotionally abused by being taunted, put down or belittled. They may receive little or no love, affection or attention from their parents or carers. Emotional abuse can also take the form of children not being allowed to mix or play with other children.

Changes in behaviour which can indicate emotional abuse include:

- Neurotic behaviour e.g. sulking, hair twisting, rocking
- Being unable to play
- Fear of making mistakes
- Sudden speech disorders
- Self-harm
- Fear of parent being approached regarding their behaviour
- Developmental delay in terms of emotional progress.

### **3.3 Sexual Abuse**

It is recognised that there is underreporting of sexual abuse within the family. All staff and volunteers should play a crucial role in identifying / reporting any concerns that they may have through, for example, the observation and play of younger children and understanding the indicators of behaviour in older children which may be underlining of such abuse.

All staff and volunteers should be aware that adults, who may be men, women or other children, who use children to meet their own sexual, needs abuse both girls and boys of all ages. Indications of sexual abuse may be physical or from the child's behaviour. In all cases, children who tell about sexual abuse do so because they want it to stop. It is important, therefore, that they are listened to and taken seriously.

The physical signs of sexual abuse may include:

- Pain or itching in the genital area
- Bruising or bleeding near genital area
- Sexually transmitted disease
- Vaginal discharge or infection
- Stomach pains
- Discomfort when walking or sitting down
- Pregnancy.

Changes in behaviour which can also indicate sexual abuse include:

- Sudden or unexplained changes in behaviour e.g. becoming aggressive or withdrawn
- Fear of being left with a specific person or group of people
- Having nightmares
- Running away from home
- Sexual knowledge which is beyond their age, or developmental level
- Sexual drawings or language
- Bedwetting
- Eating problems such as overeating or anorexia
- Self-harm or mutilation, sometimes leading to suicide attempts
- Saying they have secrets they cannot tell anyone about
- Substance or drug abuse
- Suddenly having unexplained sources of money
- Not allowed to have friends (particularly in adolescence)
- Acting in a sexually explicit way towards adults.

### **3.4 Neglect**

It can be difficult to recognise neglect, however its effects can be long term and damaging for children.

The physical signs of neglect may include:

- Being constantly dirty or 'smelly'.
- Constant hunger, sometimes stealing food from other children.
- Losing weight, or being constantly underweight.
- Inappropriate or dirty clothing.

Neglect may be indicated by changes in behaviour which may include:

- Mentioning being left alone or unsupervised.
- Not having many friends.
- Complaining of being tired all the time.
- Not requesting medical assistance and/or failing to attend appointments.

### **3.5 Specific Safeguarding Issues**

In understanding the signs and indicators of specific issues listed earlier in this policy, Charlesworth School will incorporate the signs of abuse and specific safeguarding issues on safeguarding into briefings, staff Induction training, and ongoing development training for all staff, governors and volunteers. We will also access broad Government guidance, local procedures, strategies and tools through the Derbyshire Safeguarding Childrens Board

The Designated leads and those with responsibility for safeguarding will use the information available to them in Derbyshire Schools Net Keeping Children Safe in Education to help all staff develop the knowledge and understanding pertaining to national and local emerging concerns.

### **3.6 Prevent Duties**

Charlesworth School will ensure all staff including governors and volunteers adhere to their duties in the Prevent guidance 2015 to prevent radicalisation. The HT and Chair of Governors will:

- Establish or use existing mechanisms for understanding the risk of extremism
- Ensure staff understand the risk and build capabilities to deal with issues arising
- Communicate the importance of the duty
- Ensure all staff, governors and volunteers implement the duty

This school will respond to any concern about Prevent as a Safeguarding concern and will report in the usual way using local Safeguarding Procedures. We will seek to work in partnership, undertaking risk assessments where appropriate and proportionate to risk, building our children's resilience to radicalisation. We will make referrals into CHANNEL where risk is identified and the pupil may need de-radicalisation.

Charlesworth School is committed to providing effective filtering and monitoring systems and this will include monitoring the activities of children when on-line in the school.

The school will use the relevant forms to record any concerns, keeping records which will be treated as a Child Protection Record, storing them as appropriate (see Appendices).

### **3.7 Child Sexual Exploitation (Child Protection)**

Risk factors may include;

- Going missing
- Engagement in offending
- Disengagement from education
- Using drugs or alcohol
- Unexplained gifts/money
- Repeat concerns about sexual health
- Decline in emotional wellbeing

All suspected or actual cases of CSE are a Safeguarding concern in which Child Protection procedures will be followed; this will include a referral to the police. If any staff are concerned about a pupil, they will refer to the Safeguarding Designated Leads within the school

### **3.8 Female Genital Mutilation (Child Protection)**

The school recognises and understands that there is now a mandatory reporting duty for all teachers to report to the police where it is believed an act of FGM has been carried out on a girl under 18 in the UK. Failure to do so may result in disciplinary action being taken.

All suspected or actual cases of FGM are a Safeguarding concern in which Safeguarding procedures will be followed; this will include a referral to the police. If any staff are concerned about a pupil, they will refer to the Safeguarding Designated Leads within the school unless there is a good reason not to do so.

Signs may include;

- Days absent from school
- Not participating in Physical Education
- In pain/has restricted movement/frequent and long visits to the toilet/broken limbs
- Confides that she is having a special procedure, cut or celebration

- Unauthorised and or extended leave, vague explanations or plans for removal of a female in a high risk category\* especially over the summer period
- Plans to take a holiday which may be unauthorised, unexplained or extended in a country known to practice FGM

*\*parents from a country who are known to practice FGM*

### **3.9 Allegations of abuse against other children/Peer on Peer abuse**

We recognise that some children abuse other children or their peers; therefore, the reasons for this are complex and are often multi-faceted. We understand that we need as a school to have clear mechanisms and procedures in place to identify and report incidents or concerns. We aim to reduce this behaviour and any related incidents with an expectation to eliminate this conduct in the Charlesworth School.

Peer on peer abuse is a Safeguarding concern and will require a discussion with the Designated Safeguarding Lead who will seek advice from agencies and professionals including reference to the Safeguarding procedures as outlined by the local authority. This may mean a referral into the Police and Social Care. The school will consider or may apply the disciplinary policy and will offer support to a victim.

We recognise peer on peer abuse can take some of these forms;

- Language seen as derogatory, demeaning, inflammatory;
- Unwanted banter;
- Sexual harassment;
- Sexual violence;
- Hate;
- Homophobia;
- Based on gender differences and orientation;
- Based on difference.

We will pay adherence to the guidance- Sexual Violence and Sexual Harassment in Schools/Colleges between children (December 2017) and have a strategy in the

school/college to identify, report and respond to any issues/incidents raised. We aim to challenge this type of abuse. We also aim to use approaches in the curriculum to address and tackle peer on peer abuse (see school website for policies on Behaviour, Anti-Bullying and Equality)

We are working hard as a school to be proactive and to challenge this type of abuse. We aim to use approaches in the curriculum to address and tackle peer on peer abuse.

(see Anti-Bullying, PSHE, Equality and Diversity and On-line Safety Policies available for download from the school website which can demonstrate how you tackle this, and any other initiatives used in school)

### **3.10 The sending of indecent images from one person to another through Digital Media Devices**

This school accepts that this is a Safeguarding concern and one that is increasing which requires a robust response. We will seek advice from agencies and professionals acknowledging that there are both national and local guidance that we need to adhere to in order to tackle the concerns and work in partnership with our agencies.

We will refer to:

[Derby City & Derbyshire Thresholds Document](#)

[“Sexting in Schools & Colleges: Responding to incidents & safeguarding young people” UK Council for child internet safety](#)

[The DfE guidance 2018 on Searching Screening and Confiscation Advice for Schools](#)

### **3.11 The criminal exploitation of children: County Lines**

Signs which may indicate criminal exploitation:

- Persistently going missing from school or home and / or being found out-of-area;
- Unexplained acquisition of money, clothes, or mobile phones
- Excessive receipt of texts /phone calls
- Relationships with controlling /older individuals or groups
- Leaving home / care without explanation
- Suspicion of physical assault /unexplained injuries
- Parental concerns
- Carrying weapons
- Significant decline in school results / performance
- Gang association or isolation from peers or social networks
- Self-harm or significant changes in emotional well-being

Criminal exploitation of children is a Safeguarding concern and will require a discussion with the Designated Safeguarding Lead who will seek advice from agencies and professionals; including, reference to the Safeguarding procedures as outlined by the local authority. This will mean a referral into the Police and Social Care. The school will offer support to a victim.

### **3.12 Carrying knives/offensive Weapons & Gang Culture**

Bringing and carrying a knife/offensive weapon onto school premises is a criminal offence and immediate action will be taken by calling the police and informing the informed. The guidance on Searching, Screening and Confiscation for Head teachers, schools and governors, January 2018 will be consulted and the school/college will consider and may apply the disciplinary procedure.

If a member of staff suspects a pupil being involved in gang culture, this is a safeguarding concern and will require a discussion with the Designated Safeguarding Lead who will seek advice from agencies and professionals including reference to the Safeguarding procedures as outlined by the local authority. The pupil/student may be an exploited child and victim to which the school will offer support.

- We will endeavour to create a culture of listening to children, taking account of their wishes, feelings and voices both in individual decisions and in the School's development (use of a Schools counsel or similar).
- That the building; including its surroundings, are safe and one where children can feel safe.
- That parents/carers know about our principles in Safeguarding, who along with the local community are made familiar with including making public on our website and are able to participate in any policy, procedure or initiatives which contributes to the safety of the children in that local community.
- That we have clear protocols on reception for visitors and contractors with procedures in place to ensure the appropriate questions are asked and checks made in line with KCSIE and Derbyshire County Council requirements regarding the Single Central Record.

### **4.4 Recruitment, Staffing:**

- We must prevent people who pose a risk of harm from working with children by adhering to statutory responsibilities to check all staff who work with children, taking proportionate decisions on whether to ask for any checks beyond what is required;
- We must, where relevant, check the identity of a person being considered for appointment and their right to stay in the UK;
- We must undertake overseas checks if a staff member being employed or has returned from a period of employment from abroad;
- We must ensure staff and volunteers undergo appropriate checks via the Disclosure and Barring Service (DBS) relevant to their post and this includes any Prohibition checks necessary for the post;
- We must be aware of the Disqualification by Association rules; having a relevant procedure in place which can be applied if required;
- We must have procedures in place to make a referral to the Disclosure and Barring Service (DBS) if a person in regulated activity has been dismissed, removed due to Safeguarding concerns, or would have been had they not resigned; aware that this is a legal duty;
- That we make use of the DBS Service where appropriate;
- That applications are scrutinised and further enquiries are made and evidenced around any clarification or need for further exploration;
- We must have at least one person on any appointment panel who has undertaken Safer Recruitment Training, including a Governor;
- We must pursue references with measures in place to ensure scrutiny and to verify all potential staff;
- That our volunteers are adequately supervised, being aware of the differences between supervised and unsupervised interaction with the children and have risk assessments in place for volunteers in the school undertaking activities with the children;
- That all our governors have the enhanced DBS and other checks that may be required;

- That we understand the requirements if schools are hiring out their premises or use staff from their setting around asking the relevant questions, making sure checks are in place to ensure safeguarding the children who attend clubs, holiday schemes and other activities on their premises;
- We will be mindful of who we are hiring our premises to and refuse the hiring of premises for any activity deemed not in the interests of the children people the school, the local community and or viewed to be inflammatory e.g.- banned political groups

## **5 Safeguarding Processes and Procedures**

The School will deliver its responsibilities for identifying and acting on early help needs, Safeguarding and Child Protection in line with the policies and procedures identified in the [Derby City & Derbyshire Safeguarding Children’s Board Policies and Procedures Guidance](#).

The Threshold Document is available and assists with meeting a child's needs in Derbyshire and can be found in the Derbyshire & Derby City Safeguarding Board Procedures This document should be used to help identify the level of concern and next course of action.

## **5.1 Early help**

All staff, governors and volunteers are made aware of what Early Help means, how to identify emerging needs and understanding their role within it. This means sharing information and having discussions with the Designated Safeguarding Lead, liaising with other professionals and supporting children identified in the school (i.e. potentially vulnerable and those who are vulnerable) who may therefore need Early Help intervention.

The provision of Early Help Services should form part of a continuum of help and support to respond to the different levels of need of individual children and families – for more information School all staff can refer to Derbyshire's 'Early Help Offer' and Starting Point [https://www.derbyshire.gov.uk/social\\_health/children\\_and\\_families/support\\_for\\_families/default.asp?VD=startingpoint](https://www.derbyshire.gov.uk/social_health/children_and_families/support_for_families/default.asp?VD=startingpoint)

Starting Point is Derbyshire's first point of contact and referral service for Children; including advice, support and next steps. This includes a professional's advice line and this is available for the Designated Safeguarding Lead to use. The school will follow the referral process for all [Early Help requests](#) by using an electronic form made available on the Derbyshire County Council website. When an online form is received, they are screened, and advice is given around the next steps when early help support for the child and family is being requested.

In all cases the Senior Practitioner/MAT Early Help Manager will decide which service is best placed to meet that child's needs. This manager will contact the school and discuss. Those that meet a threshold will be passed to either the Multi-Agency Team or Children's Social Care for assessment.

## **5.2 Referring to Children's Social Care**

Charlesworth School will ensure all staff, governors and volunteers that if any have concerns about the welfare and safety of a child, discussions take place with the Designated Safeguarding Lead as soon as they are aware or know about a concern and the Designated Safeguarding Lead reports that concern as soon as possible. The Designated Safeguarding Lead will act upon the information received; however, we also recognise any one can make a referral into social care.

Where welfare and safeguarding concerns are identified e.g. as a child having an injury or has made a disclosure of sexual abuse, this is a child protection concern and safeguarding procedures must be followed. A **telephone referral** must be made to Starting Point Derbyshire's first point of contact for children and younger adults for referral into Children's Social Care.

If the child has been the subject of an Early Help Assessment then a chronology, a copy of the assessment, together with a copy of the Multi-Disciplinary Plan, and any supporting document evidence to support a threshold should be attached to the written confirmation. If the professional does not have a copy, reference to the completed Early Help Assessment should be made in the written confirmation. Details within the reference should include: who undertook the Assessment, and their contact details if known. For Starting Point to provide feedback an e mail contact must be provided and name of the person nominated in school to receive that feedback.

When a member of staff, volunteer, parent, practitioner, or another person has concerns for a child, and if the school are aware that the case is open to the Multi-Agency Team they should discuss with the Allocated Worker or their manager to request escalation to Children's Social Care. If the child does not at that time have a lead professional or allocated Social Worker the school should contact Starting Point.

Schools should ensure they have spoken to the family about their concerns and proposed actions unless to do so would place the child at significant risk (imminent danger because of a disclosure made); the decision not to inform parents/carers must be justified and the details recorded. If a child makes a disclosure or presents with an injury, it is imperative that advice is sought immediately **prior to the child returning home and as soon as the school become aware of this.**

Essential information for making a referral includes:

- Full names and dates of birth for the child and other members of the family.
- Address and daytime phone numbers for the parents, including mobile.
- The child's address and phone number.
- Whereabouts of the child (and siblings).
- Child and family's ethnic origin.
- Child and family's main language.
- Actions taken and people contacted.
- Special needs of the child, including need for an accredited interpreter, accredited sign language interpreter or other language support.
- A clear indication of the family's knowledge of the referral and whether they have consented to the sharing of confidential information;
- The details of the person making the referral.

Other information that may be essential:

- Addresses of wider family members;
- Previous addresses of the family;
- Schools and nurseries attended by the child and others in the household;
- Name, address & phone number of GP/Midwife/Health Visitor/School Nurse;
- Hospital ward/consultant/Named nurse and dates of admission/discharge;
- Details of other children who may be in contact with the alleged abuser;
- Details of other practitioners involved with the family;
- Child's legal status and anyone not already mentioned who has parental responsibility;
- History of previous concerns and any previous CAF or Initial Assessments completed;
- Any other information that is likely to impact on the undertaking of an assessment or Section 47 Enquiry.

Where there is a difference of professional opinion schools are able to escalate their concerns using the [Derby City & Derbyshire Escalation Policy](#) available on the Derbyshire Safeguarding Board's website:

### **5.3 Records**

All concerns about a child will be recorded and records kept. This record will be a separate child protection/welfare record held on a separate child protection file and each concern clearly recorded with all decisions, actions taken and with outcomes and feedback to the referrer. We will endeavour to keep centralised records, hold them as private and confidential records but allow access to key staff that is designated in a role to safeguard children at the school/college.

We will follow the Local Authorities' current guidance on the Child Protection Record Keeping Guidance for Schools (incl Transfer, Storage & Retention - July 2017) and await any instruction with regard to the National Inquiry into Child Sexual Abuse (historical Child Protection records on children and records on staff where there are allegations). We will therefore not destroy any child protection/welfare records including records which hold information on allegations against staff and any other person working in the school or connected to the school.

### **5.4 Recruitment**

Charlesworth School will ensure that Safer Recruitment practices are always followed and that the requirements outlined in the statutory guidance 'Keeping Children safe in Education' and any supporting DBS documentation are followed in all cases.

All interview panels will have at least one member who has undergone Safer Recruitment Training with the necessary skills and knowledge. We will in all cases for example check on;

- the identity of candidates;
- a check of professional qualifications;
- the right to work in the UK;
- make overseas checks where relevant;
- ask for and follow up at least two references;
- scrutinise applications for gaps in employment;
- Include at least two questions regarding safeguarding.

We will have a Single Central Record which will cover all staff, including governors, and volunteers, frequent visitors, agency and supply, and others according to their role and

responsibility. We will ensure this record is regularly updated and reviewed in line with National and Local requirements.

We will ensure that all staff, governors and volunteers are aware of Government Guidance on Safer Recruitment and Safer Working Practices and that the recommendations are followed.

Charlesworth School will ensure there is a Staff Code of Conduct, ensuring all staff, governors and volunteers are familiar with Safer Working Practices. This also includes advice on conduct, safe use of mobile phones and guidance on personal / professional boundaries in emailing, messaging, or participating in social networking environments.

We will ensure that Safeguarding considerations are at the centre of each stage of the recruitment process and if in any doubt will seek further HR and or legal advice.

#### **The Disclosure and Barring Service (DBS);**

The Disclosure and Barring Service (DBS) helps employers make Safer Recruitment decisions which helps preventing unsuitable people from working with vulnerable groups, including children.

The DBS are responsible for:

- Processing requests for criminal records checks
- Deciding whether it is appropriate for a person to be placed on or removed from a barred list
- Placing or removing people from the DBS Children's Barred list and Adults' Barred list for England, Wales and Northern Ireland
- Providing an online DBS service

The DBS search police records and in relevant cases, the barred list information, before issuing a DBS certificate to the applicant.

A DBS check will be requested as part of the pre-recruitment checks following an offer of employment, including unsupervised volunteering roles, and staff engaging in regulated activity, where the definition of regulated activity is met.

We will have a clear understanding of what regulated activity is and implications for volunteers in the school. This may mean undertaking risk assessments on any activity.

We will follow advice on DBS checks as detailed by this guidance and this will include;

- Where relevant a separate Barred Check List has been completed;
- That individuals are not disqualified from working with children under the Child Care (Disqualification) Regulations 2009 and will adhere to any changes made to this;
- A check to include a Secretary of State Prohibition Order (Teacher Prohibition Order) and this may mean on Teaching Assistants;
- A Section 28 Direction Check where relevant, which prohibits or restricts a person from taking part in any management of an Independent school, including Academy or Free school.

## **5.5 Dealing with allegations against Staff and Volunteers who work with children**

The school will adhere to the procedures set out under 'Allegations Made Against Professionals' (allegations of abuse by teachers and other staff), this can be found on the [Derbyshire & Derby City Safeguarding Procedures](#)

If a member of staff has concerns about another member of staff, then this will be referred to the Head teacher. Where there are concerns about the Head teacher this will be referred to the Chair of Governors. We will ensure that all allegations are discussed with the Local Authority Designated Lead (LADO) in every case using the [Derby and Derbyshire LADO referral form](#) and this is done by an appropriate member of the Senior Management Team.

The school will ensure we have followed all the necessary duties and processes under this process and under Whistle Blowing and this will be undertaken in accordance with guidance. Where there are allegations that are substantiated, the school will fully ensure any specific actions are undertaken on management and exit arrangements as outlined in the [Keeping Children Safe in Education statutory Guidance for schools/colleges](#) and [Derby City & Derbyshire safeguarding Board Procedures](#)

## 6 Management of the Policy

The Governing Body will;

- Ensure all governors are effective in the management of safeguarding;
- Ensure all staff including all other governors and volunteers read and have access to the policy
- That it is displayed on the school's website

- That is overseen to ensure its implementation
- Review its content on an annual basis.

The Head Teacher will report annually on safeguarding activity and progress within the school setting to the Governing Body.

An appointed Designated Safeguarding Lead will complete the S175 Safeguarding Audit and with an Action Plan which will be used to report on Safeguarding activity and progress. A copy of which will be submitted to the CPM for Schools / Education settings at Derbyshire County Council. This will be held on file & reported to the Derbyshire Safeguarding Children's Board.

The Head Teacher should report any significant issues to the Chair of the Governing Body that may have an impact on Safeguarding in the school and using the processes with the Local Authority to report.

## **Appendix A:**

### **Learning from Serious Case Reviews (SCRs) and Serious Incident Learning Reviews (SILRs)**

Derbyshire Safeguarding Children Board recognises the importance of learning and improving from our experiences in this area. A range of learning and themes from SCRs and SILRs have been identified from our most recent reviews, and from the preceding years.

In 2012 we have learnt that:

**Babies** are particularly at risk from abuse and neglect including:

- Shaking
- Co-sleeping
- Domestic abuse
- Methadone used as a soother
- Lack of ante-natal assessment

**Teenagers** - a quarter of all SCRs/SILRs have been about the serious injury or death of a teenager. Issues include:

- Suicide/self-harm
- Child sexual exploitation (CSE)
- Offending behaviour
- Missing from school, home or care
- Difficult to engage

**Parents**- the death or serious injury of children and young people often has contributory factors including:

- Substance misuse
- Mental health
- Domestic abuse
- Hostility/non-engagement

- Disguised compliance
- Violent men

It is vital that themes and learning is shared across all agencies to improve practice and increase safeguards to children and young people. The SCR subcommittee has identified a number of practice developments for professionals including:

- Information gathering, sharing and recording.
- Assessing the complete circumstances of the child and family, including their history.
- Critically analysing all information.
- Ensuring the needs of the child are paramount above those of the parents.
- Seeing a child at home and where they sleep.

In 2013/2014 in summary form we learnt that:

Common Themes:

- Domestic Abuse
- Substance Misuse
- Vulnerabilities of older teenage children
- Suicide/self-harm
- Shaken babies/youngsters
- Disguised compliance from parents/carers
- Agencies should be consulted before closing cases
- Risk to children should be assessed when in contact with perpetrators of domestic abuse
- Not to have overoptimistic or unrealistic expectations of improvements seen or made as it is not likely reflective of past or current risk

In 2016/17 in summary form we learnt that:

- The importance of authoritative practice;
- To be alert to disguised compliance;
- The importance of professional curiosity;
- To be alert to the possibility of abuse;
- That all professionals to consider the need for an Early Help Assessment;

- Hear the voice of the child;
- Understand and record the child's lived experience.

#### Learning for Schools from SCR's and Serious Incident Learning Reviews (SIR's)

- Appropriate representation is needed at key meetings- Child Protection Case Conferences
- Effective multi-agency working
- Working more SMART (ly) with children and Young people
- Effective information sharing to inform assessments
- Staff to be curious, inquisitive and ask more questions
- Reflection and constructive challenge for staff when working with vulnerable children and young people
- Staff to observe safer working practices
- Staff to be reminded of a code of conduct and staff to operate by one

From SCR's (East Midlands & wider) in 2015 in summary form we need:

- A requirement for holistic & family based approach to ante-natal care and the importance of recording a full history of parents
- A need for professional curiosity into parental capacity & the mental health of parents
- To find out about the role of fathers/male partners/boyfriends in families
- To understand how mental health issues impact on the welfare & development of young children
- To act upon disrupted education, going missing, school refusal
- To know about the need to distinguish between sexual abuse, sexual exploitation , and or/underage sexual activity
- To identify neglect in disabled children
- A requirement to know about and use escalation & challenge processes provided by a safeguarding board where there are professional disagreements
- To know that when safeguarding teenagers understanding a tension between respecting their autonomy and keeping them safe
- To understand the impact of bereavement, loss and transition for children and especially young people

- Realise and respond to parents who dominate and manipulate TAF meetings (early help/CIN) by disputing points, creating diversions & feigned compliances with recommendations.

Serious Case Reviews, Serious Incident Learning and Thematic Case Reviews and leaning relevant for schools /colleges can be found on the [Derbyshire Safeguarding Childrens Board](#) website

## APPENDIX B

### Schools who have EYFS children in nursery or reception classes

Please note that the requirements below **only** relate to the welfare and safeguarding requirements of the EYFS (0-5 years). The learning and development requirements must also be met in full. *(Include this appendix therefore only if this applies to your setting)*

- **Schools are not required to have separate policies to cover EYFS requirements provided the requirements are already met through an existing policy.**
- These policies and procedures should be recorded in writing.

### EYFS welfare and safeguarding requirements - policies and procedures:

Source: **Early Years Foundation Stage Statutory Framework** (revised 2017) and Ofsted’s Inspecting safeguarding in early years, education and skills settings (2016)

Child Protection	3.4 – 3-8 (see above)	<p>The safeguarding policy and procedures <b>must</b> include:</p> <p>an allegation being made against a member of staff (This is included in this schools overarching model child protection &amp; safeguarding policy)</p> <p>the use of mobile phones and cameras in the setting <i>(refer here to the guidance where this is clear and explained in your school and additional guidelines expected in nurseries around use of cameras on premises)</i></p>
Suitable person	3.9 - 3.13	<p>Providers <b>must</b> tell staff that they are expected to disclose any convictions, cautions, court orders, reprimands and warnings that may affect their suitability to work with children (whether received before or during their employment at the setting). This is explained in more detail in our overarching model child protection &amp; safeguarding policy.</p> <p>Providers <b>must</b> also meet their responsibilities under the Safeguarding Vulnerable Groups Act 2006, which includes a duty to make a referral to the Disclosure and Barring Service where a member of staff is dismissed (or would have been, had the person not left the setting first) because they have harmed a child or put a</p>

		<p>child at risk of harm. This is explained in more detail in our overarching model child protection &amp; safeguarding policy.</p>
Disqualification	3.14 - 3.18	<p>A provider or a childcare worker may be disqualified from registration. Where a person is disqualified, the provider must not employ that person in connection with early years provision. Where an employer becomes aware of relevant information that may lead to disqualification of an employee, the provider must take appropriate action to ensure the safety of children.</p> <p>A provider or a childcare worker may also be disqualified because they live in the same household as another person who is disqualified, or because they live in the same household where a disqualified person is employed.</p> <p>The information <b>must</b> be provided to Ofsted as soon as reasonably practicable, but at the latest within 14 days of the date the provider became aware of the information or ought reasonably to have become aware of it if they had made reasonable enquiries.</p>
Staff taking medication/other substances	3.19	<p>If practitioners are taking medication which may affect their ability to care for children, those practitioners should seek medical advice. Providers <b>must</b> ensure that those practitioners only work directly with children if medical advice confirms that the medication is unlikely to impair that staff member’s ability to look after children properly. Staff medication on the premises must be securely stored, and out of reach of children, at all times.</p>

Staff qualifications, training, support and skills	3.20 – 3.26	Induction training must include information about emergency evacuation <u>procedures</u> , safeguarding, child protection, and health and safety.
Key person	3.27 –	Each child <b>must</b> be assigned a key person. Their role is to help ensure that every child’s care is tailored to meet their individual needs to help the child become familiar with the setting, offer a settled relationship for the child and build a relationship with their parents. In schools this will often be the teacher.
Staff: child ratios –	3.28 – 3.43	<p>Providers <b>must</b> inform parents and/or carers about staff deployment, and, when relevant and practical, aim to involve them in these decisions. Children must usually be within sight and hearing of staff and always within sight or hearing.</p> <p>Only those aged 17 or over may be included in ratios (and staff under 17 should be supervised at all times). Students on long term placements and volunteers (aged 17 or over) and staff working as apprentices in early education (aged 16 or over) may be included in the ratios if the provider is satisfied that they are competent and responsible.</p> <p>The ratio and qualification requirements below apply to the total number of staff available to work directly with children.</p> <p><b>For children aged two:</b></p> <ul style="list-style-type: none"> <li>• there must be at least one member of staff for every four children</li> <li>• at least one member of staff must hold a full and relevant level 3 qualification</li> <li>• at least half of all other staff must hold a full and relevant level 2 qualification</li> </ul> <p><b>For children aged three and over in maintained nursery schools and nursery classes in maintained schools:</b></p> <ul style="list-style-type: none"> <li>• there <b>must</b> be at least one member of staff for every 13 children</li> <li>• at least one member of staff must be a school teacher as defined by section 122 of the Education Act 2002</li> <li>• at least one other member of staff must hold a full and relevant level 3 qualification</li> </ul>

**Reception classes** in maintained schools and academies are subject to infant class size legislation. The School Admissions (Infant Class Size) Regulations 2012 limit the size of infant classes to 30 pupils per school teacher (subject to permitted exceptions) while an ordinary teaching session is conducted. ‘School teachers’ do not include teaching assistants, higher level teaching assistants or other support staff.

**Where schools have provision run by the governing body (under section 27 of the Education Act 2002) for three- and four-year-olds** who are not pupils of the school, they can apply: a 1:13 ratio where a person with a suitable level 6 qualification is working directly with the children; or a 1:8 ratio where a person with a suitable level 6 qualification is not working directly with children but at least one member of staff present holds a level 3 qualification.

**Where children in nursery classes attend school for longer than the school day or in the school holidays, in provision run directly by the governing body** or the proprietor, with no teacher present, a ratio of one member of staff to every eight children can be applied if at least one member of staff holds a full and relevant level 3 qualification, and at least half of all other staff hold a full and relevant level 2 qualification.

Some schools may choose to **mix their reception classes with groups of younger children** (nursery pupils, none pupils or younger children from a registered provider), in which case they must determine ratios within mixed groups, guided by all relevant ratio requirements and by the needs of individual children within the group. In exercising this discretion, the school must comply with the statutory requirements relating to the education of children of compulsory school age and infant class sizes. Schools’ partner providers must meet the relevant ratio requirements for their provision.

		<p>Where the provision is solely before/after school care or holiday provision for children who normally attend Reception class (or older) during the school day, there must be sufficient staff as for a class of 30 children. It is for providers to determine how many staff are needed to ensure the safety and welfare of children, bearing in mind the type(s) of activity and the age and needs of the children. It is also for providers to determine what qualifications, if any, the manager and/or staff should have.</p>
<b>Health</b>	3.44 – 3.46	<p>Schools <b>must</b> have a procedure, discussed with parents and/or carers, for responding to children who are ill or infectious, take necessary steps to prevent the spread of infection, and take appropriate action if children are ill. Providers <b>must</b> have and implement a policy and procedures, for administering medicines.</p>
<b>Food and drink</b>	3.37 - 3.49	<p>Where children are provided with meals, snacks and drinks, they <b>must</b> be healthy, balanced and nutritious. Before a child is admitted to the setting the provider must also obtain information about any special dietary requirements, preferences and food allergies that the child has, and any special health requirements. Fresh drinking water must be available and accessible at all times. Providers must record and act on information from parents and carers about a child's dietary needs.</p> <p>There <b>must</b> be an area which is adequately equipped to provide healthy meals, snacks and drinks for children as necessary. There must be suitable facilities for the hygienic preparation of food for children. Providers must be confident that those responsible for preparing and handling food are competent to do so. In group provision, all staff involved in preparing and handling food must receive training in food hygiene.</p> <p>Registered providers must notify Ofsted of any food poisoning affecting two or more children cared for on the premises.</p>
Accident or injury	3.50 – 3.51	<p>Registered providers must notify Ofsted of any serious accident, illness or injury to, or death of, any child while in their care, and of the action taken. Notification must be made as soon as is reasonably practicable, but in any event within 14 days of the</p>

		incident occurring. A registered provider, who, without reasonable excuse, fails to comply with this requirement, commits an offence. Providers must notify local child protection agencies of any serious accident or injury to, or the death of, any child while in their care, and must act on any advice from those agencies.
Smoking	3.56	Wider legislation <b>must</b> be met (i.e. signage and no smoking in cars with children)
<b>Premises</b>		
Risk assessment	3.64	Risk assessments should identify aspects of the environment that need to be checked on a regular basis, when and by whom those aspects will be checked, and how the risk will be removed or minimised.
Outings	3.65 – 3.66	A trained paediatric first aider must be available on all trips.
Special educational need	3.67 - 3.68	No policy requirement stated – however in ‘Inspecting safeguarding in early years, education and skills settings’ document this must be in the child protection policy – see bottom of page.
Information and records	3.68 – 3.71	Providers <b>must</b> enable a regular two-way flow of information with parents and/or carers, and between providers, if a child is attending more than one setting. If requested, providers should incorporate parents’ and/or carers’ comments into children’s records.
Information about the child	3.72	No policy requirement stated
<b>Information for parents and carers</b>	3.73	<u>Details of the provider's policies and procedures</u> should be published and they must make <u>copies available on request</u> , including the procedure to be followed in the event of a parent and/or carer <u>failing to collect a child</u> at the appointed time, or in the event of a <u>child going missing</u> at, or away from, the setting.
<b>Complaints</b>	3.74 – 3.75	Providers must put in place a <u>written procedure for dealing with concerns and complaints</u> from parents and/or carers, and must keep a written record of any complaints, and their outcome.

Changes that must be notified to Ofsted	3.77 – 3.78	<p>All registered early years providers <b>must</b> notify Ofsted of any change:</p> <ul style="list-style-type: none"> <li>• in the address of the premises (and seek approval to operate from those premises where appropriate); to the premises which may affect the space available to children and the quality of childcare available to them</li> <li>• any proposal to change the hours during which childcare is provided;</li> <li>• any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises to look after children</li> <li>• where the early years provision is provided by a company, any change in the name or registered number of the company</li> <li>• where the childcare is provided by a partnership, body corporate or unincorporated association, any change to the 'nominated individual'</li> <li>• where the childcare is provided by a partnership, body corporate or unincorporated association whose sole or main purpose is the provision of childcare, any change to the individuals who are partners in, or a director, secretary or other officer or members of its governing body</li> </ul>

Page 10	the child protection <u>policy</u> reflects the additional barriers that exist when recognising the signs of abuse and neglect of children who have <u>special educational needs and/or disabilities</u>
Page 9	All staff and carers have a copy of and understand the <u>written procedures</u> for managing allegations of harm to a child or learner. They know how to make a complaint and understand policies on whistleblowing and how to manage other concerns about the practice of adults in respect of the safety and protection of children and learners. This is explained in more detail in our school overarching child protection & safeguarding policy.

## **1. Scope and Definitions**

This Annex A applies during the period of school closure due to COVID-19, and the wider opening of an educational setting. It reflects updated advice from our local safeguarding partners Derby and Derbyshire Safeguarding Children Partnership (Derbyshire County Council, Derby City Council, Derby and Derbyshire Clinical Commissioning Group, Tameside and Glossop Clinical Commissioning Group and Derbyshire Constabulary).

It sets out changes to our normal Safeguarding/Child Protection Policy in light of the Department for Education's Guidance collection for [Coronavirus \(COVID-19\): guidance for schools and other educational settings](#), and specifically [Coronavirus: safeguarding in schools, colleges and other providers](#) (updated may 2020)

This does not replace the schools/colleges Child protection /Safeguarding policy 2019/20, and an addendum, summary of any key COVID-19 Mitigation Planning, safeguarding and child protection changes, April 2020

## **2. Vulnerable Children**

The Department for Education's (DfE's) [Coronavirus \(COVID-19\): guidance on vulnerable children and young people](#) continues to apply.

There is the flexibility to offer a place to those who do not meet the Department for Education's definition of 'Vulnerable' but where the School/College has concerns will continue and will now include, those who could benefit from continued attendance. This might include children and young people who are on the edge of receiving support from Children's social care services, adopted children, NEET, those living in temporary accommodation, those that are young carers and others at the schools, colleges and local authorities discretion.

School and college staff will continue to work with children's social workers, the Designated Lead, virtual school heads, and any other relevant safeguarding, health and pastoral partners to help protect children.

### **3. Maintaining contact**

*(Add a statement about how you are maintaining contact with children and their families who are not in school and the steps you will take to try and increase attendance for those vulnerable children you have identified who are not in school)*

### **4. Reporting Concerns**

<p><b>All staff and volunteers must continue to act on any concerns they have about a child immediately. It is still vitally important to do this.</b></p>
--

The local authority has issued updated guidance about identifying vulnerable children during lockdown; assessing and supporting their needs. This includes supporting schools with early intervention services including the Early Help Transition Teams, to provide children and families with the right support at the right time.

['Lockdown Lens' for schools: safeguarding children in Derbyshire](#)

*(Print and add to policy)*

## **5. Designated Safeguarding Lead (and Deputy) Arrangements**

As more children return the School/College will have a trained DSL or Deputy DSL available on site to coordinate the safeguarding arrangements, and liaise with social workers. If activities take place offsite there will be arrangements in place to provide access to a designated lead.

All school and college staff and volunteers will have access to a trained DSL (or deputy) and know on any given day who that person is and how to speak to them.

In exceptional circumstances:

- a trained DSL (or deputy) from the school or college can be available to be contacted via phone or online video - for example, working from home
- sharing trained DSLs (or deputies) with other schools or colleges (who should be available to be contacted via phone or online video)

The school/college will ensure there are sufficient staff members can provide pastoral support to help meet the needs of children as they return.

The DSL will provide support to teachers and pastoral staff to ensure contact is maintained with children and their families. This will be for those children and families in school and more importantly for those who are not in school.

Where possible staff should try and speak directly to children to help identify any concerns. Staff should be encouraged (where possible) to make calls from the school or college site via school or college phones and devices. Where staff use personal phones to make calls, they should withhold their personal number.

When communicating with families, this should only be done through school email addresses or recognised channels, within school hours and on school devices.

Shared school mobiles are been purchased for this activity It is recommended that any staff member contacting parents and families is made aware of the school's policy around etiquette and content.

The Designated lead will ensure great care will be taken in the content, storage and dissemination of any records made.

The DSL will ensure all staff will be kept up to date with government and local changes in respect of children returning to the school/college and the school/college will update parents/carers and make the relevant guidance's available on the website.

## **6. Staff Recruitment, Movement of Staff, Training and Induction**

The existing school/college workforce may continue to move between schools/colleges in response to Coronavirus.

Where new staff or volunteers are recruited they will continue to be provided with a safeguarding induction. Supply and agency staff, who may be recruited for the wider opening of the school/college will be given a safeguarding induction, which includes local changes and responses to Coronavirus and local safeguarding policies and procedures.

Some schools/colleges are 'borrowing' staff from other schools/colleges. This will continue to be necessary in some cases and the usual expectations will apply around verification, training, induction to the setting they are temporarily working in and knowledge of the schools/colleges safeguarding policies and procedures.

The school/college will be clear in how they will access information, both hard copy and electronic especially with regards temporary log in and admin privileges. The school/college will revisit, processes for data sharing and storage, particularly if key staff members are not on site, using "borrowed staff" and or using other schools.

External visitors should be kept to a minimum, but schools/colleges should make themselves available for Childrens Social Workers, and other relevant partners e.g. Health, who may need to see children on site.

## 7. Risk Assessments

The School/College will work with the latest guidance provided by the government on:

- Risk assessments;
- Home school transport;
- Managing the school/college site;
- Staggering start times, breaks and finish times;
- First aid;
- Social distancing;
- Personal Protective Equipment;
- Managing an outbreak of Coronavirus.

The local authority has provided templates, and resources in preparation for a return to school/college to assist: <http://services.derbyshire.gov.uk/Page/1277>

<http://services.derbyshire.gov.uk/Page/17535>

For children and young people with EHC (education and health care) plans in Derbyshire all providers have been sent risk mitigation forms to complete and return to the school Lead SEND Officer.

The Risk Mitigation forms are found here:

<https://schoolsnet.derbyshire.gov.uk/administration-services-and-support/coronavirus-information/special-educational-needs-and-disabilities-guidance.aspx>

Each child has been allocated an additional key worker within education to monitor their provision.

Work will continue in partnership with the key worker, other key health and social care professionals, and the family to review risk assessments in light of a wider opening of the school/college:

<https://www.gov.uk/government/publications/coronavirus-covid-19-send-risk-assessment-guidance>

Children and young people with other complex needs, such as children and young people with special educational needs and disability (SEND) who do not have an EHC plan, the school/college or local authority can now exercise its discretion to do a risk assessment and offer a place.

The school/college will continue to undertake and review risk assessments for children and young people with EHC plans who remain at home. Risk assessments will continue to be undertaken to ensure:

- It assists decisions on which children and young people, with an EHC plan, should be attending their educational setting, taking into account the changing circumstances of individual children and young people, with an aim that they can be brought back into face to face education when it is right for them;
- when attendance is not appropriate, assessments can help make decisions about the support children and young people should receive at home, noting that circumstances may have changed;
- Providing helpful information to Headteachers and other professionals in planning for, and supporting, those children and young people with an EHC plan when they do return to educational settings

## **8. Monitoring attendance**

It is expected that vulnerable children will attend where it is appropriate for them to do so and where there are no shielding concerns for the child or their household; where they are not clinically vulnerable and or/following a risk assessment for those children with a EHC plan and or clinical vulnerabilities.

We will continue to work with children and their families not in school and will work with the relevant children and their families to return to school/college.

Parents/carers will not be penalised if their child does not attend education provision.

Schools/colleges will resume taking their attendance register from the 1<sup>st</sup> June, and will complete the online Educational Settings Form (DfE daily updates).

In addition, schools/colleges in Derbyshire will be completing a returns list of pupils in school to the local authority to help identify with social care partners pupils who are attending and especially those who are deemed as vulnerable and are not attending. <https://schoolsnet.derbyshire.gov.uk/administration-services-and-support/coronavirus-information/dcc-information-return.aspx>

## **9. Transport and safeguarding**

Schools/colleges are working with the local authority on the reinstating of school transport for some pupils as they are returning to school. There are priority groups including vulnerable children and young people. Schools/colleges will work with their transport providers to ensure this and that there are appropriate safeguarding arrangements under the current restrictions and social distancing.

*(Make reference here to your own strategy and risk assessments here)*

## **10. Safeguarding Pupils and Teachers Online**

Schools/colleges should still refer to NSPCC guidance, when engaging in remote learning. The guidance is unchanged since its previous update (April 21<sup>st</sup> 2020).

Schools/colleges should consider greater communication with parents around working on line, to provide reassurances that they are working in a safe environment and encourage them to make their child's online activity as safe possible, this may mean referring families to resources: <https://www.gov.uk/guidance/safeguarding-and-remote-education-during-coronavirus-covid-19>

When video conferencing, schools/colleges are advised not to use 'new platforms' but rather work with established and trusted systems that are already in place such as e.g. G Suite or Office 365.

The Dfe recommends that the school/college will signpost any queries, and in regards to data protection to their Local authority Data Protection service.

### **6.1.1**

*(Make reference to your own strategies here)*

## **11. Peer on Peer Abuse**

Usual reporting of suspected or actual peer on peer abuse applies. All staff need to be aware that incidents may have happened out of school, whilst children are not attending, and these may require a safeguarding response when they return and the school/college is made aware.

## **12. Mental Health and Well-being**

The school/college will continue to support children in respect of their emotional health and wellbeing and acknowledge that, on a child's return into the school/college, lockdown may have had, and may continue to have, an adverse impact upon their health, wellbeing and safety.

There are guidance's available (updated May 21<sup>st</sup>) to assist and all staff will be made familiar with this: <https://www.gov.uk/guidance/supporting-pupils-wellbeing>

All staff will be updated around how to identify, refer and respond to a child presenting concerns and know how schools/colleges can receive help:

<https://derbyandderbyshireemotionalhealthandwellbeing.uk/>

A new email address for professionals to access this new service is: [ddccg.tict@nhs.net](mailto:ddccg.tict@nhs.net)

## **13. Monitoring Arrangements**

This policy (June 2020, Annex A 2020) will be reviewed and updated as Guidance from the Local Safeguarding Partners, other relevant agencies or DfE is received, and as a minimum (*insert interval, we recommend every 3-4 weeks*) by (*name/job title of individual*).

At every review, it will be read and approved by the full governing board.
